

A photograph of four healthcare professionals, two men and two women, standing in front of a modern medical building. They are all wearing blue scrubs and have their arms crossed, smiling at the camera. The background shows a multi-story building with large windows and a warm, golden light, possibly from the setting or rising sun.

CALLING FOR CHILDCARE  
SUPPORT

A photograph of three young children of Asian descent standing against a light background. The child on the left is a girl with short dark hair, wearing a bright yellow long-sleeved shirt and dark pants, with her arms raised and hands near her head. The child in the middle is a girl with long dark hair, wearing a white long-sleeved shirt with a lace collar and dark pants, also with her arms raised. The child on the right is a boy with short dark hair, wearing a grey and white striped long-sleeved shirt and dark pants, with his right arm raised and his left arm extended outwards. The entire image has a semi-transparent orange overlay.

**WE BELIEVE:**

---

**Providing fully covered drop off childcare and academic support for the children of our employees will relieve them of any financial or emotional burden that may get in the way of the important work they are doing to fight Covid-19.**

# THE AHMNI CO. SOLUTION

---

## **SAFE + CLEAN FULL FAMILY CARE**

Located on the St. Bernardine Medical Center campus in Villa Maria, a 6,000 sq. ft. bungalow complete with a backyard that once housed the Nuns and Priests onsite, is home to our family care center.

Each room is designed for age-appropriate care, with outdoor play, a dining hall, kitchen, laundry and a safe landing space for parents to take a pause with their children while on duty.

## **ACADEMIC GUIDANCE**

In addition to drop-off care for the little ones, we provide academic support with certified teachers so that any student from K - 6th grade can find a safe place to learn and grow.

## **PARENT AMENITIES + SUPPORT**

Using our curated User app, parents can easily schedule their care, along with paid services like laundry, food delivery and parenting classes and workshops.

# EMERGENCY CHILDCARE RELIEF FOR ESSENTIAL MEDICAL WORKERS IN REPOSE TO COVID-19

In response to Covid-19 and in three weeks time, Ahmni Co., along with 107 generous donors, including The Will and Jada Smith Family Foundation, a brave staff of caretakers, and a Temporary Childcare Waiver granted by Governor Gavin Newsom and the Department of Social Services, we successfully completed our mission of creating free Emergency Drop-off Childcare Relief for Essential Healthcare Workers in Los Angeles. It truly takes a village.
