

Giving for Good

2021-2022 Annual Impact Report

Dignity Health Foundation.
Inland Empire

Our Mission

The role of the Dignity Health Foundation-Inland Empire is to fulfill philanthropic initiatives and secure financial support for:

- Dignity Health's two Inland Empire hospitals, Community Hospital of San Bernardino and St. Bernardine Medical Center;
- Education and training needs of its workforce; and
- Community health initiatives and programs that positively affect the social determinants of health

The Foundation is led by a Board of Directors made up of community leaders who are committed to advancing Dignity Health's mission to deliver compassionate, high-quality, affordable health services; serve and advocate for our sisters and brothers who are poor and disenfranchised; and partner with others in the community to improve the quality of life.

Dignity Health Foundation - Inland Empire Charity Golf Classic 2022 Raises \$177,000

Dignity Health Foundation-Inland Empire hosted another successful tournament at Morongo Tukwet in Beaumont, raising \$177,000 for our two San Bernardino hospitals on May 6, 2022.

Special thank you to our 2022 chair and foundation board member, Bryce Stafford and the support of all our 2022 Charity Golf Classic sponsors, players, volunteers and supporters.

Each year we host the golf tournament to foster positivity and excitement for our hospital. This year's proceeds will benefit capital needs at Community Hospital of San Bernardino and St. Bernardine Medical Center. Congratulations to all our 2022 winners!

\$100K from Stater Bros. Charities and Inland Women Fighting Cancer to St. Bernardine Medical Center for Surgical Microscope

Stater Bros. Charities and Inland Women Fighting Cancer presented a \$100,000 check to the Dignity Health Foundation – Inland Empire. Proceeds from the donation will go toward the purchase of a microscope that is used for fine neuro/spine/ brain surgeries to remove tumors at St. Bernardine Medical Center. The check presentation ceremony included representatives from both organizations and took place at Stater Bros.' corporate offices.

The generous \$100,000 donation was made possible by the 13th Annual Believe Walk, hosted by Stater Bros. Charities and Inland Women Fighting Cancer. The annual event is held the first Sunday of October and benefits local organizations who work with men and women on cancer related health issues. Dignity Health Foundation – Inland Empire has been a proud participant in the Believe Walk for eleven years, with a Dignity Health team of walkers and numerous volunteers providing services to walkers and spectators.

Women of Dignity Health

In the past 12 months the Women of Dignity Health-Inland Empire has continued to host the Zoom Inspiration Series events for members of Women of Dignity Health, staff and interested community partners. In April, they held their first in-person event in three years with yoga in the park with Raise the Bar Fitness.

The Women of Dignity Health is a unique giving group that raises money for our two hospitals through annual membership and events. You can learn more about this program on our website!

Community Partners Give Back

Throughout the last three years, Community Hospital of San Bernardino and St. Bernardine Medical Center have been lucky to receive thousands of donated in-kind items to our frontline workers. In 2022 the Foundation continued to field support from local businesses in the form of in-kind donations. During these unprecedented times, the staff and caregivers were so thrilled to receive donated meals, treats, and PPE as a thank you from our community.

Inland Empire Health Plan (IEHP) was one of our generous donors who donated lunches to the staff at both hospitals. Hello Humankindness!

3D Mammo Upgrade

A 3D upgrade to the mammo unit at Community Hospital of San Bernardino was completed thanks to the support of the foundation donors. A majority of the funds came from the Women of Dignity Health - Inland Empire.

3D is clinically proven to detect more invasive cancers compared to 2D. New compression paddle improves patient comfort and reduces compression time.

Guardian Angels Awarded for Exceptional Care

The Foundation's grateful patient program called Guardian Angel allows patients and loved ones to make a donation to the hospital in honor of a caregiver, nurse or physician who made an impact in their care.

We were able to recognize several dedicated caregivers as Guardian Angels this year at both hospitals.!
